

TO: Growers – Permittees

SUBJECT: **GROWER RESPONSIBILITIES IN REGARDS TO SECTION 6619 – PESTICIDE APPLICATION COMPLETION NOTICE**

Section 6619 of the California Code of Regulations requires that an Agricultural Pest Control Business (PCB) applying pesticides for the production of an agricultural commodity shall give notice to the operator of the property (or a designated employee), within 24 hours of completion of the pesticide application. If the property operator (or the designated employee) will not be available to receive the notice during the 24-hour period, **the operator shall provide to the PCO, in writing,** the method by which the PCO may provide notification.

The operator of the property shall maintain a record of the Application Completion Notices for **two years** and shall be made available to the Commissioner upon request.
