## **Yolo County Branch Libraries Closed for Staff Training on October 12**

**(Woodland, CA)** – All Yolo County branch libraries will be closed during the morning of Monday, October 12 so staff may attend system-wide training. The following Yolo County Library branches will re-open to the public again on Monday, October 12 from 2:00 to 6:00 p.m.:

Davis Branch Library  
Esparto Branch Library  
Knights Landing Branch Library  
West Sacramento Branch Library  
Winters Branch Library

“These closures are necessary to help keep staff trained and up-do-date on events that affect the Yolo County Library and staff,” said Yolo County Librarian Patty Wong. “Residents will be able to receive afternoon services at branch locations that are normally open on Mondays, and as always, online services such as the library catalog, our many databases and the YoloLINK database of community services will still be available 24/7.”

Normal operating hours at all branch locations will resume on Tuesday, October 13. For more information about the Yolo County Library visit [www.yolocountylibrary.org](http://www.yolocountylibrary.org).
