

## **YOLO COUNTY LIBRARY**

### ***Mission***

The Yolo County Library provides access for all to books, informational technology and other media to inform, entertain and inspire.

### ***Values***

**Circulation:** Library users have convenient, equal access to all library materials. Helpful staff conducts all transactions in a professional, fair and confidential manner.

**Collection:** Yolo County Library offers a balanced, up-to-date collection in a wide variety of formats which reflects the interests and needs of a diverse community.

**Reference:** Well-trained professionals assist and guide users in obtaining information from a variety of current resources and technologies. Service is confidential, respectful, accurate, timely and free of charge.

**Computers/Technology:** Yolo County Library will provide free and equal access to reliable, up-to-date technology for research, information and communication needs. Users will be assisted by knowledgeable staff in order to facilitate independent use of library technology.

**Youth Services/Programming:** Youth Services provides stimulating, entertaining materials and events in order to introduce youth to the library. Enthusiastic staff will inspire youth to love reading and pursue life-long learning.
