

## YOLO COUNTY LOCAL AGENCY FORMATION COMMISSION FEE SCHEDULE

**December 14, 2009**

Fees will be charged for all Commission proceedings and actions at the Commission's actual costs (including overhead). Billing will be based on hourly rates, with appropriate overhead costs. Fees due to the State of California will be paid by the applicant at the appropriate time and prior to final recordation of the Certificate of Completion.

All deposit fees listed are required to be paid by the applicant upon submittal of a proposal. A proposal with multiple actions requires a deposit for each action. If a proceeding is not listed below, it will be subject to an initial fee as estimated by the Executive Officer. Any additional expenses incurred by the Commission, in excess of the deposited amount, will be billed to and paid by the applicant before completion of the LAFCO proceedings, including, but not limited to, consultant costs, feasibility studies, final recordation, and filings. If a proposal is abandoned or terminated for any reason (e.g., due to failure of a successful property tax agreement), the deposit amount not expended prior to that termination point will be refunded to the applicant.

Request for waivers or exceptions to the fees must be submitted to the Commission for action.
