Yolo County Branch Libraries Closed for Staff Training on July 12

(Woodland, CA) – All Yolo County branch libraries will be closed Monday, July 12 so staff may attend system-wide training.

“These closures are necessary to help keep staff trained and up to date on events that affect the Yolo County Library and staff,” said Yolo County Librarian Patty Wong. “As always, online services such as the library catalog, our many databases and the YoloLINK database of community services will be available 24/7.”

Normal operating hours at all branch locations will resume on Tuesday, July 13. For more information about the Yolo County Library visit www.yolocountylibrary.org.
