Yolo County Branch Libraries Closed Morning of Oct 11 for Staff Training

(Woodland, CA) – All Yolo County branch libraries will be closed the morning of Monday, October 11 so staff may attend system-wide training.

“This closure is necessary to help keep staff trained and up to date on events that affect the Yolo County Library and staff,” said Yolo County Librarian Patty Wong. “As always, online services such as the library catalog, our many databases and the YoloLINK database of community services remain available 24/7.”

Normal operating hours at all branch locations (with the exception of the Davis branch library which remains closed until December 7) will resume at 1:00 on October 11. For more information about the Yolo County Library visit www.yolocountylibrary.org.
