DATE: October 14, 2010
TO: YCH Board of Commissioners
FROM: Lisa A. Baker, Executive Director
SUBJECT: **Receive and File Correspondence from the Residents of Yolano-Donnelly, Knights Landing and Yolo**

RECOMMENDED ACTIONS:

That the Board of Commissioners:

1. Receive and file the Correspondence

BACKGROUND/DISCUSSION:

The YCH has received correspondence from residents at Yolano-Donnelly, Knights Landing and Yolo asking that the Housing Specialist II not be reassigned as part of routine rotation of staff.

As of September 13, 2010, maintenance staff within the Real Estate Services Division have rotated assignments. Housing Management Staff in the Division have rotated as of October 1, 2010. Staff rotation accomplishes several functions:

- Provides cross training and improves individual staff job skills and understanding of a variety of housing types;
- Ensures program integrity by minimizing long term relationships between residents and managers to help prevent fraud and abuse
- Encourages greater attention to the asset by having different staff look at the physical asset
- Encourages "One YCH" instead of the creation of separate turf or "fiefdoms"

FISCAL IMPACT:

None.

CONCLUSION:

Staff recommends that the Board receive and file the correspondence.

The reason for this letter is because us tenants have been made aware, that our Housing Specialist Cindy Brambila, is being transferred to the Winters site. Well we have come together and got these signatures to see if we can keep Cindy in Woodland. In the last couple of years that cindy has been here she has changed alot of things for the better. Cindy has also gained our trust we feel comfortable and open to be able to come to Cindy with any problem that we have with our housing or even if it is an issue with another tenant or even her or some other housing employe. Cindy takes our concerns and any questions we may have into consideration and she also treats us as people a human being not like a pay check like other housing Specialist have done in the past she understands that just because we live here in what the outside world calls "the projects" or "the ghetto" that we are people just like someone who owns the house it's

just that don't have the financial stability, but we do try very hard and Cindy she sees that in us and in our kids that there good children. Cindy is one of a kind she has made a very big and good impact on us tenants and our families. Cindy helps refer us to agency if we need it like S.A.D.V.C. teen programs to help teach us to try to keep our kids from getting into gangs and helps by listening when we have a problem with our unit she translate to the maintenance man. We would just love for this to be reviewed and taken into consideration and please allow Cindy Brambila to stay here in Woodland and continue to be the Housing Specialist in Woodland. We respect her very much and our concerned about her leaving us tenants we don't doubt the specialist is a wonderful person but we all trust Cindy Brambila so very much so please reconsider this change and keep Cindy here.
