

To: Olin Woods, Chair, and Members of the
Yolo Local Agency Formation Commission

From: Elisa Carvalho, Assistant Executive Officer
Terri Tuck, Commission Clerk

Date: March 28, 2011

Subject: Request continuance of the Public Hearing for the Yolo County Public
Cemetery Special Districts (except for Davis) Draft Municipal Service Review
and Sphere of Influence Study (LAFCO № S-036)

Recommended Action

Continue the Public Hearing for the Yolo County Public Cemetery Special Districts (except for Davis) Draft Municipal Service Review and Sphere of Influence (MSR/SOI) Study and Categorical Exemption to the next regularly scheduled LAFCO meeting.

Reason for Recommended Action

The Cemetery Districts need additional time to review the study and to respond with any comments, suggestions, or changes, to the Draft MSR/SOI. Additionally, staff would like more time to evaluate the District's responses and consider the Commission's directive for a more in-depth look at the feasibility of consolidation of one or more of the Cemetery Districts.

Background

The Commission received the Yolo County Public Cemetery Special Districts Draft MSR/SOI on February 28, 2011 for review. The Commission approved the separation of the Davis Cemetery District portion from the Draft MSR/SOI so that staff could further study the District's request for potential expansion of its SOI. Staff will bring back the Davis Cemetery District for public hearing at a later date. The Commission additionally asked staff to further

March 28, 2011

consider the feasibility of consolidating one or more of the Cemetery Districts for better efficiency of services.

The first public hearing for the Yolo County Public Cemetery Special Districts (except for Davis) Draft MSR/SOI was projected for the March 28, 2011 LAFCO meeting. The proposed date was to allow sufficient time for District and public review; however, because some of the District's do not meet on a monthly basis or had a meeting just prior to the LAFCO meeting on February 28, 2011, additional time is necessary for adequate consideration of the MSR/SOI.
