Additional Redistricting Advisory Committee Meetings Set Committee Seeking Public Input on Reapportionment

(Woodland, CA) – Two additional Yolo County Redistricting Advisory Committee meetings have been set in an effort to facilitate public input into the process. Meeting dates are as follows:

June 1 at 6:30 p.m.
Winters Community Center
201 Railroad Avenue
Winters

June 6 at 6:30 p.m.
Woodland City Council Chambers
300 First Street
Woodland

The above meetings are in addition to the one held in Davis on May 11 and the other previously scheduled meeting to be held:

May 18 at 6:30 p.m.
West Sacramento City Hall
1110 West Capitol Avenue
West Sacramento

As required by law, the Yolo County Board of Supervisors has established an advisory committee to assist in the process of updating supervisorial districts. The Redistricting Advisory Committee must make its recommendations to the Board by August 1 to assist the Board in adopting revised district boundaries by September 30 to take effect for the June 2012 primary election.

“The May 11 meeting in Davis was very productive. The committee heard from residents regarding changing district lines and will take all public input into consideration as the process moves forward,” said Jeffrey Barry, Chief Deputy Clerk-Recorder and Redistricting Advisory Committee staff. “The committee has scheduled these additional meetings so that everyone, regardless of where they live, has opportunity to share their thoughts and concerns with the committee.”
