Dear Board Colleagues,

After considering public input, my appointee to the Yolo County Redistricting Advisory Committee, Richard Harris, and I respectfully submit a revised map, for the consideration of the Board.

The following is a summary of important features of the *Revised Richard Harris Map*:

- ~Allows for effective functioning and a high level of service for all districts by maintaining the closest communities of interest. In particular, it acknowledges the many Davis-Woodland connections and the multiple projects that Davis and Woodland are working on together.
- ~Maintains a community of interest of Winters and Knight's Landing with rural Yolo County.
- ~ Is consistent with the history of District 4 representation of a similar area in Eastern portion of Woodland (Marchand), as well as a history of District 3 representation of similar parts of West Sacramento (Stallard).
- ~Establishes a strong community of interest for UCD, allowing UCD to remain in District 2 and includes areas of housing that have high numbers of UCD students and personnel in parts of South Davis and North Davis.
- ~Creates a stronger voice for our Hispanic population in the 3rd District.
- ~Creates acceptable variances in population in all districts, and allows some room for growth in District 2 when West Village is populated.

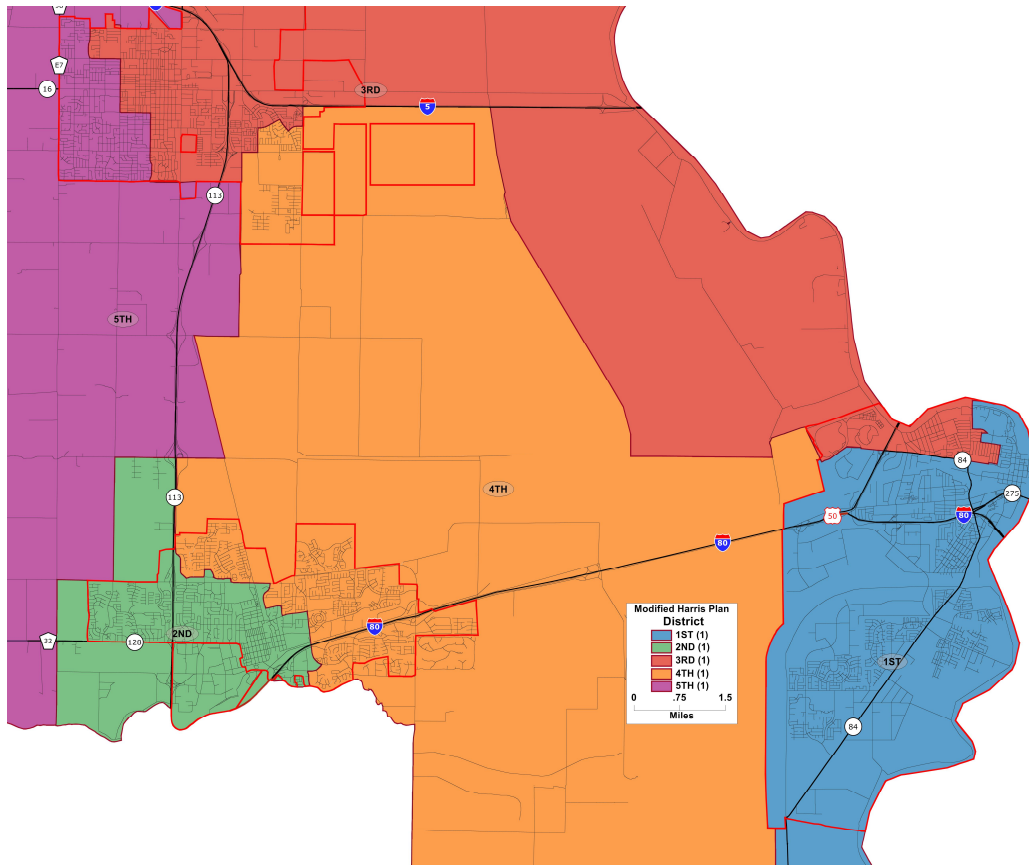

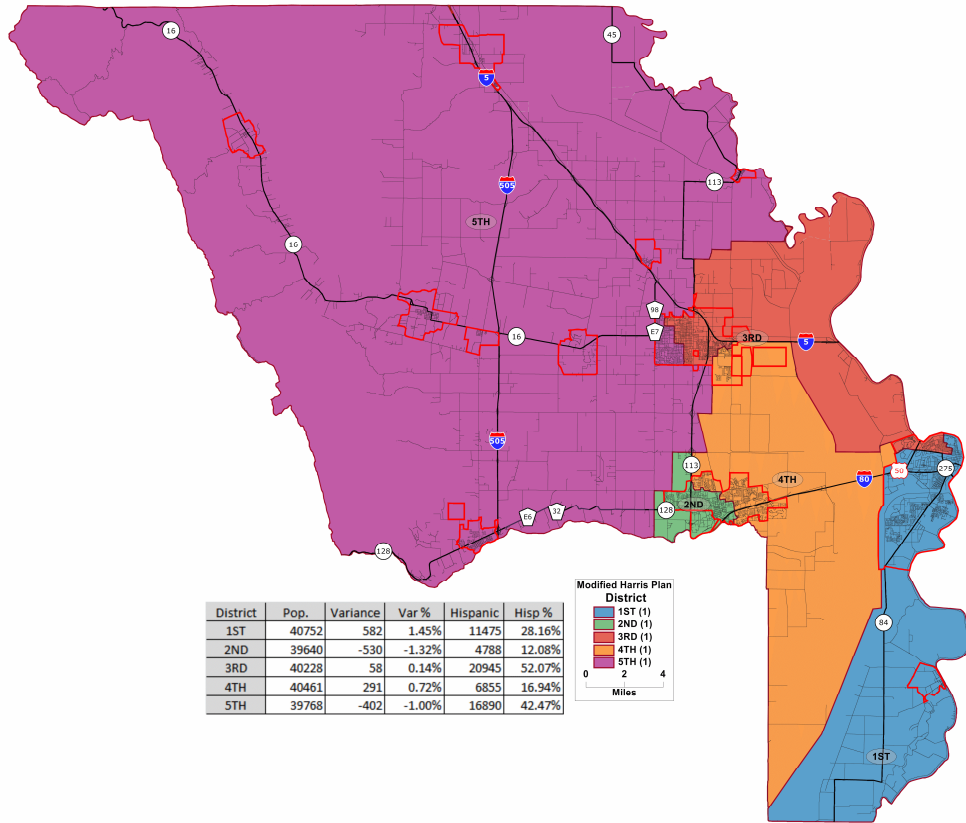

Sincerely,

Jim Provenza, District 4
Yolo County Board of Supervisors
