Dear Customer:

On September 20, 2011, a Boil Water Advisory was issued for Yolo County's Wild Wings Community. Water quality samples submitted to a state-certified laboratory by California American Water confirm that the water is free of bacteriological contamination. Therefore, it is no longer necessary to boil your water.

IT IS NOT NECESSARY TO BOIL YOUR TAP WATER.

We apologize for the inconvenience and thank you for your patience and cooperation during the Boil Water Advisory.
