Reminder: Flu Vaccination Clinics October 22 in West Sacramento and November 5 in Winters

(Woodland, CA) – The Yolo County Health Department, in partnership with the cities of West Sacramento and Winters, is holding two free seasonal influenza vaccination clinics as follows:

Saturday, October 22, 8:00 a.m. to 12:00 p.m.
West Sacramento City Hall
1110 West Capitol Avenue, West Sacramento

Saturday, November 5, 10:00 a.m. to 2:00 p.m.
Winters Community Center
201 Railroad Avenue, Winters

“One of the most common questions I get from parents and friends is, ‘should I give my child the flu shot; they are so healthy.’ Each time I say, ‘yes, without question,’ ” said Yolo County Health Officer Christian Sandrock. “As with many vaccinations, the administration not only benefits the individual, but the community as well.”

Persons wishing to pre-print their medical screening forms to expedite the vaccination process for either clinic can visit: www.yolohealth.org and click on the link in the What’s New section.

Note: the Yolo County Health Department also provides seasonal flu vaccine for \$10.00 as part of the regularly scheduled public health immunization clinic held every Wednesday, 2:00 to 5:00 p.m. at the Yolo County Health Department, located at 137 N. Cottonwood Street in Woodland.

For more information on Yolo County Health Department programs and services, visit: www.yolohealth.org and follow the department via Yolohealth on Facebook and Twitter.
