Got MP3? OverDrive Digital Download Workshop January 7

(Woodland, CA) – The Mary L. Stephens Davis Branch Library, located at 315 East 14th Street in Davis, welcomes readers to an OverDrive Workshop on Saturday, January 7, 2:00 p.m. to 4:00 p.m. in the Blanchard Room. The workshop will cover how to use the library's free digital media download service to download free audiobooks, eBooks, video and music.

“Come on January 7 and find out more about this service which is available thanks to community support and high demand,” said Yolo County Librarian Patty Wong.

Bring your laptops, tablets and eReaders for this hands-on workshop and staff will teach you how to download free eBooks and audiobooks, giving you on-the-go access to the digital media collection.

No reservations are required. The Blanchard Room of the Mary L. Stephens Davis Branch Library is accessible for persons with disabilities. Presented by the Yolo County Library, all programs are free. Contact Joan Tuss for more information: joan.tuss@yolocounty.org or (530)757-5588.
