## Digital Download Workshops in February

(Woodland, CA) – Due to an overwhelming response to the digital download workshop held in January, the Mary L. Stephens Davis Branch Library, located at 315 East 14th Street in Davis, is holding two additional workshops in February.

“Following the large turnout at our January digital download workshop, we have added additional trainings tailored to specific devices to help meet the needs of our community” said Yolo County Librarian Patty Wong.

On Thursday, February 9, 7:00 p.m. to 8:30 p.m., iPad, iPhone and iPod Touch users are invited to attend an OverDrive Workshop in the Blanchard Room. The workshop will cover how to use the library's free digital media download service (Overdrive) to download eBooks and audiobooks to an iPad, iPhone or iPod touch. After a demonstration, library staff will be available to answer questions. Participants are asked to bring their device, library card, Apple ID and password, and Adobe Digital Editions ID and password (if they have one).

On Saturday, February 18, 11:00 a.m. to 1:00 p.m., Kindle and Kindle Reading App users are invited to attend an OverDrive Workshop in the Blanchard Room. The workshop will cover how to use the library's free digital media download service to download eBooks to a Kindle or a device using the Kindle Reading App. After a demonstration, library staff will be available to answer questions. Participants are asked to bring their Kindle or device that has the Kindle Reading App downloaded on it, wireless laptop (optional), library card, Adobe Digital Editions ID and Password (if they have one), and Amazon.com account sign-in and password that the Kindle or Kindle App is registered to.

No reservations are required for either workshop. The Mary L. Stephens Davis Branch Library Blanchard Room is accessible for persons with disabilities. Presented by the Yolo County Library, all programs are free. Contact Joan Tuss for more information: [joan.tuss@yolocounty.org](mailto:joan.tuss@yolocounty.org) or (530) 757-5588.
