

Most of us have been affected, directly or indirectly, by breast cancer at some point in our lives. Come join our team, **Team Yolo**, at the *Susan G Komen Race for the Cure* on May 12, 2012 at Cal Expo. There are two ways you can become involved. You might choose to register and join the team being with us physically on race day (or choose the “sleep in for the cure” options and still be part of the team in spirit). Or equally important is the choice of helping with our fundraising goal by making a donation.

What is a Team?

A team is a group of Race registrants who want to work together to help find a cure for breast cancer. Our team must have at least 5 people and our fundraising goal is \$500.00.

Why Teams?

There are countless reasons to form a Team...

- Make a Difference – teams increase the impact and make a meaningful difference here in our community. Teams raise about 75% of all donations to the Race.
- Celebrate or Honor Someone you Love – Rally behind a co-worker, friend, family member or stranger who is a breast cancer survivor or co-survivor.
- Earn Rewards – Working together, your Team can achieve fantastic incentives like our pre-Race ROCKIN’ tailgate party sponsored by Unified Grocers.
- Raise Awareness – As a Team you can inspire each other and those around you to learn about breast cancer and breast self-awareness as well as teach others about Komen and its mission to end breast cancer forever.
- Have Fun! – The Race for the Cure is a great day to get exercise, spend time with friends and loved ones, and enjoy entertainment! Be sure to visit our Expo for all the great giveaways from our fabulous sponsors.
