Christopher Phillips travels the country engaging Americans to talk about the Constitution. Following the successful format of his 2011 book “Constitution Café: Jefferson’s Brew for a True Revolution”, Dr. Phillips encourages communities to generate a new, nationwide Constitutional Convention to help Americans better understand and challenge our most fundamental freedoms. Constitution Café is dedicated to the Jeffersonian notion of freedom: life, liberty and the pursuit of happiness. Learn more at <http://www.facebook.com/ConstitutionCafe>
