Road Closures on County Roads 32A and 102 starting September 17

(Woodland, CA) – County Road (CR) 32A between CR 105 and the on/off ramps for westbound Interstate 80 will be closed to traffic September 17 to September 28 to facilitate the rehabilitation of CR 32A and a railroad crossing safety improvement project. Detour signs will direct motorists and bicycles to alternate routes through Mace Boulevard (CR 104) and Chiles Road (CR 32B).

Additionally, CR 102 from Moore Boulevard to CR 27 will be closed to through traffic September 17 to October 12 to rehabilitate the damaged section of the road surface. Detour signs will direct motorists to alternate routes through CR 103, CR 27, CR 100A and Covell Boulevard. Access to properties along the closed road sections will be provided at all times. Access to the Yolo County Landfill will be through the designated detour routes above.

Construction costs for the CR 32A project are approximately \$235,400 and will be funded with Proposition 1B transportation funds and federal transportation money. The low bid contractor is J. D. Pasquetti Engineering, Inc., from Lincoln, California.

Construction costs for the CR 102 project are approximately \$1,440,000 and will be funded with Proposition 1B transportation funds. The low bid contractor is A. Teichert & Son, Inc., from Davis, California.
