Reason for Recommended Action/Background

On February 13, 2024, the Yolo County Board of Supervisors unanimously voted to introduce by title only, waive the first reading, receive public comment, and continue this ordinance for consideration for adoption at the February 27, 2024 Board of Supervisors meeting. The following information is from the original staff report prepared for the February 13 meeting.

On January 1, 2023, the California State Legislature amended Section 5604 of the Welfare and Institutions Code relating to local mental health boards to require at least one member of the board to be a veteran or veteran advocate in counties with a population of 100,000 or more. The Yolo County Local Mental Health Board supports the wellness, recovery, and resilience of all Yolo County residents through the identification of local mental health assets and needs, informed advocacy and education and collaboration with policymakers, service providers, consumers, and family members. As the Legislature recognized in amending Section 5604, including veterans on a local mental health board is crucial as they bring unique perspectives and experiences, particularly in dealing with trauma and stress related to military service. Their presence on the Local Mental Health Board ensures representation of the veteran community, fostering trust and encouraging veterans to seek mental health services.

For these reasons, and to ensure the County Code properly complies with state law on local mental health board membership, staff is recommending that the Board adopt the attached proposed ordinance amendments to the Yolo County Code (Title 2, Chapter 2) which would require at least one member of the Yolo County Local Mental Health Board to be a veteran or veteran advocate.

ORDINANCE NO. 1566**AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE
COUNTY OF YOLO TO AMEND THE CODE
RELATING TO THE LOCAL MENTAL HEALTH BOARD**

The Board of Supervisors of the County of Yolo hereby ordains as follows:

SECTION 1. Background and Findings. The State of California amended Section 5604 of the Welfare and Institutions Code relating to mental health boards to require at least one member of the board to be a veteran or veteran advocate in counties with a population of 100,000 or more. Yolo County Local Mental Health Board supports the wellness, recovery, and resilience of all Yolo County residents through the identification of local mental health assets and needs, informed advocacy and education and collaboration with policymakers, service providers, consumers, and family members. The Board of Supervisors find that it is vital to have veterans' input and perspective on mental health issues in Yolo County.

Including veterans on a local mental health board is crucial as they bring unique perspectives and experiences, particularly in dealing with trauma and stress related to military service. Their presence on the Local Mental Health Board ensures representation of the veteran community, fostering trust and encouraging veterans to seek mental health services. Veterans on the Board can effectively advocate for their peers, raising awareness about specific mental health issues faced by veterans, and their knowledge about resources and programs is invaluable for optimizing service delivery. The Board of Supervisors finds that their participation ensures that the mental health needs of veterans are comprehensively understood and addressed.

SECTION 2. Amendments to Yolo County Code Section 2-2.1303.

Subsection (d) is amended to become subsection (e).

Subsection (d) is hereby added to read as follows:

(d) *Veteran or Veteran Advocate Member.* At least one member of the board shall be a veteran or veteran advocate, as defined in Welfare and Institutions Code Section 5604(i). To ensure compliance with this subdivision, the Board of Supervisors shall notify the Yolo County Veterans Services Office about vacancies on the board as they occur.

SECTION 3. Severability. If any section, subsection, sentence, clause or phrase of this Ordinance is held by a court of competent jurisdiction to be invalid, such decision shall not affect the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have adopted this Ordinance and each section, sentence, clause or phrase thereof irrespective of the fact that one or more sections, subsections, sentences, clauses or phrases be declared invalid.

SECTION 4. Conflicting Enactments. To the extent that there is any conflict between the provisions of this Ordinance and the provisions of any other County Code, ordinance, resolution or policy, all such conflicting provisions shall be suspended.

SECTION 5. Effective Date. This Ordinance shall take effect and be in force thirty (30) days after its passage, and prior to expiration of fifteen (15) days after its passage thereof, shall be published by title and summary only in the Davis Enterprise together with the names of members of the Board of Supervisors voting for and against the same.

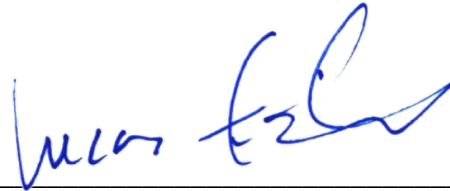

Introduced at a Board of Supervisors regular meeting held on February 13, 2024, and subsequently approved following a second reading on February 27, 2024 by the following vote:

SUBJECT: Adoption of Proposed Ordinance to Create a Local Mental Health Board

DATE: April 20, 1993

RECOMMENDED ACTION

Approve and authorize the Chair to sign Ordinance No. _____ to dissolve the Yolo County Mental Health Advisory Board (MHAB) and establish the Yolo County Local Mental Health Board (LMHB)

REASONS FOR RECOMMENDED ACTION

On April 6, 1993 your Board considered the draft ordinance to dissolve the Yolo County Mental Health Advisory Board and establish the Yolo County Local Mental Health Board as required by AB 14. April 20, 1993 was set as the date to consider adoption of the proposed ordinance. The recommended revisions have been made and the revised ordinance is attached.

BACKGROUND

As required by Assembly Bill 14, an ordinance was proposed to dissolve the Yolo County Mental Health Advisory Board and establish the Yolo County Local Mental Health Board. At the April 6th hearing, the Clerk of the Board was directed to provide public notice to recruit applicants to fill 15 positions that satisfy the membership requirements of the LMHB, and the LMHB was directed to develop a recommendation for by-laws to be approved by the Board of Supervisors. By Minute Order No. 93-154, your Board directed the following revisions to the ordinance:

Page 2, line 4, delete the first sentence.

Page 2, line 8, add "...and communicate its findings to the County Mental Health Department, Board of Supervisors and ..."

Page 3, beginning at line 20, delete obsolete language relating to term limitations.

Page 4, beginning at line 5, clarify paragraph relating to Bronzan-McCorquodale contract agencies.

The requested revisions have been made and incorporated in the ordinance with the exception of the deletion of the first sentence on page two, line 4. This sentence reads, "Review and make recommendations on applicants for the appointment of a local director of mental health services." This sentence could not be deleted as it is required by the statute.

FISCAL IMPACT

No additional County funds are requested. Approximately \$500 was included in the FY92/93 Mental Health Budget for conference attendance and miscellaneous expenses.

OTHER AGENCY INVOLVEMENT

The "unofficial" MHAB has continued in an ex-officio capacity and has sent a letter to each Supervisor with a listing of interested people. County Counsel prepared the ordinance.
