Healthy Yolo Open House at Yolo County Fair August 17

(Woodland, CA) – Healthy Yolo will host the second Community Open House event this Saturday, August 17, 12:00 to 8:00 p.m., at the Yolo County Fair, located at 1250 Gum Street in Woodland.

Healthy Yolo: Our Community, Our Future, led by the Yolo County Health Department, is a process where community members come together to share and understand the specific health concerns and strengths of their community, prioritize public health issues and determine goals and strategies to achieve a healthier Yolo County. Healthy Yolo is engaging residents so that they may have a voice in addressing public health issues in their community.

The Community Open House events include a walkthrough “tour” of the health status in Yolo County. Community members can then prioritize health issues important to them, express their views on their quality of life and identify strengths that can be used to improve the health of our community. The information gathered will help identify and prioritize community health issues and support the development of a strategic plan to address those issues to improve the health and wellbeing of all Yolo County residents. Participants will receive a free re-usable tote bag and be entered in a raffle to win a \$50 gift card upon completing a survey.
