Teens and Parents: Get Organized For Success

(Woodland, CA) – The Mary L. Stephens Davis Branch Library, located at 315 East 14th Street in Davis, will host a program for teens and their parents on Tuesday, October 15, 6:30 to 7:30 p.m. in the Blanchard Room. Ashley Meyers, a Davis High School alumna, professional organizer and dynamic speaker, will present a workshop to help teens organize their personal spaces and manage their time for optimum success.

“Today’s young people are inundated with information every day,” said Yolo County Librarian Patty Wong. “Keeping track of it all can be challenging, even for the best intentioned among us. If students want to be more efficient, the first step is learning the best ways of keeping organized. This free workshop offers students fun, creative ways to start that process.”

Participants are asked to bring a smart phone, tablet or laptop, if they have one. Sign-ups for the workshop begin on October 1 and space is limited. To reserve a spot in the workshop, stop by the library, call (530) 757-5598 or email: DavisLibrary@yolocounty.org.
