Reduced Hours in Branch Libraries Oct. 14 and 28 for Staff Trainings

(Woodland, CA) – All branches of the Yolo County Library will have shortened hours on Monday, October 14 and Monday, October 28 so staff may attend system-wide training. Branches will re-open on those days from 2:00 to 6:00 p.m. if the branch is normally open on Mondays. The Yolo County Library's Central Services and Archives will also be affected.

“Library staff are committed to providing the most current, up-to-date library services, and to continuing to meet the high expectations of our Yolo County community,” said Yolo County Librarian Patty Wong. “These trainings provide us with new information and the resources we need to continue to develop excellent library services for all Yolo County residents.”

During these closures, many library services will be available online. Visit: www.yolocountylibrary.org to find online services including e-books, databases and suggested reading lists, and connect with the Yolo County Library on Facebook at www.facebook.com/yolocountylibrary.org.
