DISCLAIMER

The fee estimator is provided as a tool to get approximate fees for permits obtained from the Building Department and/or Environmental Health Department. The fee information provided is **ONLY AN ESTIMATE**. There may be fees required for your project that are **NOT** in your estimate, examples of these fees are:

Fire District Fees
School District Fees
Environmental Health Review
Public Works Review
County Facilities and Service Fees (FSA)
Fees based on specific areas or values

Some fees are required by other districts, departments and are not required in all projects, these fees, if required, will be added to your permit at the time of submittal to the Building Department.

By choosing "I Agree" you are confirming that you have read the above information and understand that not all fees will be included in your estimate. You also agree that you will not expect the final permit fee cost to match the estimate or submit a pre-printed check in the amount of the estimate.

By choosing "I Disagree" you will exit the fee estimator and return to the home page.
