## **Free Homework Help this Winter at the Davis Branch Library**

(Woodland, CA) – The Mary L. Stephens Davis Branch Library, located at 315 East 14th Street in Davis, invites students to drop in to the Homework Center for free tutoring and homework help between January 6 and March 10 on Mondays and Thursdays from 3:15 p.m. to 5:15 p.m.

The Homework Center, located in the Children’s Activity Room, provides tutoring for all subjects up to ninth grade, as well as high school math. Transition to High School Math and Algebra I are available both days while advanced math tutoring will be available only on Mondays. Advanced math includes Introduction to Analysis, Calculus, Statistics and Probability, Pre-Algebra, Trigonometry, Algebra II and Geometry.

“We hear from parents that their children love the tutoring provided by college students and appreciate the opportunity for their children to complete their homework after school rather than after dinner,” said Yolo County Librarian Patty Wong.

No reservations are required. The Children’s Activity Room of the Mary L. Stephens Davis Branch Library is accessible for persons with disabilities. Presented by the Yolo County Library, all programs free. For more information, contact Joan Tuss (530) 757-5588 or [joan.tuss@yolocounty.org](mailto:joan.tuss@yolocounty.org).
