### **Evidence-Based Practices for Justice-Involved Persons: A Five-Part Webinar Series**

**Cutting edge updates** by leading researchers on the current empirical research on **five key Evidence-Based Practices (EBPs)** for justice-involved persons with behavioral health disorders. Complementing each researcher, **nationally-recognized practitioners** putting these EBPs to use in the field every day.

*What works? What adaptations are needed? How do these EBPs work in various real world settings?*

Find out all of this and more in this five-part webinar series! Each webinar will be followed by one or more interactive "Ask the Expert" discussion groups, allowing participants a rare chance to pick the brains of leaders in the field.
