South Davis Residents, How Do You Use the Library?

(Woodland, CA) – The Yolo County Library is conducting a survey to learn more about how residents of South Davis use public library services and their related needs. A special ad hoc committee, established by the Yolo County Board of Supervisors, has developed this survey and results will be used to inform and advise the Board. Residents and businesses in South Davis are encouraged to take the survey which is available at www.surveymonkey.com/s/library2014E.

A Spanish language version of the survey is also available at www.surveymonkey.com/s/library2014S. The survey is only available online and will be open until July 31. The Mary L. Stephens Davis Branch Library offers free access to computers and the South Davis Montgomery Satellite Library will offer access to computers on Tuesday, June 3, at 5:00 pm. For more information about the survey, contact Assistant County Librarian Elizabeth Gray at (530) 666-8084.

Currently, public library services are offered in South Davis at the Montgomery Elementary School Library on Tuesday nights from 5:00 to 9:00 p.m. and Saturdays from 10:00 a.m. to 2:00 p.m. This summer, the public library will be offering a number of free programs for families at the Montgomery Elementary location.
