

**WELCOME TO OUR MOCK VACCINATION CLINIC- THANK YOU!**

OBJECTIVES

THE PURPOSE OF THIS DRILL IS TO PREPARE THE HEALTH DEPARTMENT AND OTHER MEDICAL PROVIDERS IN YOLO COUNTY TO BE READY TO RAPIDLY DISTRIBUTE VACCINATIONS OR MEDICATIONS TO ALL COUNTY RESIDENTS IN THE EVENT OF A DISEASE OUTBREAK.

You will be asked these questions. Please answer "NO" to all questions:

**NO** Have you traveled to Chickenville, California or another area that had an outbreak of flu in birds or humans in the past 7 days?

**NO** Did you have direct contact with someone who you know traveled to Chickenville, California in the past 7 days?

**NO** Have you come in close contact or stay in the same household with a person who is suspected to have a case of "bird" flu?

**NO** Do you CURRENTLY have a documented fever over 100.4 F AND cough, shortness of breath or breathing problems?

\*This DRILL will take 45-60 minutes

\*You will be given a medical history form, talk to a medical screener, and be given your thank you gift

**\*YOU WILL NOT BE GIVEN A REAL VACCINATION!**
