July 30 Forum on Injured Veterans' Issues

(Woodland, CA) – Are you a veteran? Is there a veteran in your life? Come join a community forum devoted to injured war veterans' issues on Wednesday, July 30 from 6:00 to 8:00 p.m. at the Mary L. Stephens Davis Branch Library.

This forum is part of a citywide community book project focusing on the experiences of injured U.S. war veterans returning home from Iraq and Afghanistan, and is based on the book, *Thank you for your Service*, by best-selling author David Finkel. Moderator Dr. Krystyna von Henneberg encourages veterans from all wars, recent and not-so-recent, to come and share their experiences of transition from war to civilian life in their own words. She also warmly invites all those who work with, or know veterans, as well as all those interested in learning more about veterans' issues.

This event will be held in the Blanchard Room of the Mary L. Stephens Davis Branch Library, located at 315 East 14th Street in Davis, which is accessible to persons with disabilities. The program is free and no reservations are required. This program is sponsored by the Friends of the Yolo County Libraries and Creative Language Works.
