## **County Road 32B (Chiles Road) Roadwork September 8 to October 14**

**(Woodland, CA)** – Roadwork on County Road (CR) 32B (Chiles Road in Davis) from the eastern Davis city limit to CR 32A will be conducted from September 8 to October 14, with periodic closures to through traffic during this timeframe.

This rehabilitation project will increase the strength of the pavement section, reduce maintenance expenditures and improve conditions for motorists.

The contractor will temporarily close portions of CR 32B to through traffic in two non-concurrent phases, each expected to last approximately two weeks. The Stage 1 closure will be between the Davis city limit and the west side of the Yolo Fruit Stand driveway. The Stage 2 closure will be on the east side of the eastbound I-80 ramps to the end of the project at CR32A.

Access to properties along the closed section of the road will be provided at all times. Additional traffic control devices and directional signage have been deployed to alert motorists of the Stage 1 closure.

Travelers are advised to consider alternate routes and allow additional time to travel. The Yolo County Department of Planning, Public Works & Environmental Services asks that all motorists be patient, reduce speed and exercise added caution when traveling near and throughout this work zone.

Construction costs are \$1,340,000, with \$719,921 paid for by federal transportation funds and the balance by local transportation funds. The low bid contractor was A. Teichert & Son, Inc., from Davis, California.
