County Road 99 Bridge Over I-5 Closed Sep 29-Oct 10

(Woodland, CA) – The County Road 99 (West Street) bridge over Interstate 5, located north of Woodland, will be closed from Monday, September 29, through Friday, October 10, due to Caltrans bridge maintenance activities. Caltrans' contractors, Truesdell Corporation and Valentine Corporation, will be performing the maintenance work.

Southbound Interstate 5 motorists that use the West Street exit will not be allowed to turn north during the bridge closure. Northbound Interstate 5 motorists that use the West Street exit will not be allowed to turn south (toward Woodland) during the bridge closure.

Signs and message boards will be posted to alert motorists of the closure and detours. The public is encouraged to use alternate routes to avoid delays. Nearby businesses on Barnard Street (ARCO and Denny's) will be open during the closure.
