Yolo County Library & Other Department Winter Holiday Closures

(Woodland, CA) – All Yolo County Library branches, including the Yolo County Archives and Records Center, will be closed December 24 through 26, December 31 and January 1. Additionally, there will be some reduction in hours December 22 through the end of the year.

“In years past, we have had extended closures during the winter holidays due to budget cuts,” said Yolo County Librarian Patty Wong. “This year, we are pleased to have our branches open on more days, albeit with limited hours, during the holiday season.”

For a listing of winter holiday hours, please contact your local Yolo County Library branch or find up-to-date information at www.yolocountylibrary.org. Please note, the Winters Community Library will also be closed January 2.

Library services, as always, are available online all day, every day. Visit: www.yolocountylibrary.org to find online services including e-books, databases, reading suggestion lists and recommended websites. For additional reading suggestions and library news, connect with the Yolo County Library on Facebook and Pinterest.

Besides Yolo County Library closures, other Yolo County departments may also be experiencing closures around the winter holidays. For a detailed list, visit: www.yolocounty.org (select Department Closures 2014-15 link under Residents menu).
