Free Holiday Recycling at the County Landfill

(Woodland, CA) – Free recycling of residential holiday trees (treecycling) is being offered at the Yolo County Central Landfill from December 26 through January 15, 2015. Treecycling turns your holiday tree into a valuable renewable and recyclable resource.

Trees are biodegradable and will eventually decompose to provide essential organic matter. Trees to be recycled should be free of all ornaments, flocking, tinsel, garland and lights. There is a limit of two trees per resident for free recycling.

Old electronics, such as computers, TVs and monitors, and paper, plastics, cans and bottles can also be recycled every day at the landfill, located at 44090 County Road 28H in Woodland. By recycling your holiday tree, gift boxes, and bottles and cans from holiday celebrations, you will help reduce waste in our landfill and do your part in putting waste in the proper place!

Holiday recycling is sponsored by the Yolo County Department of Planning, Public Works and Environmental Services. Division of Integrated Waste Management. For more information, call (530) 666-8856 or visit, www.yolocounty.org (select Landfill button).

Note: The Yolo County Central Landfill is closed on Christmas and New Year's days. Normal operating hours of the landfill are Monday through Saturday, 6:30 a.m. to 4:00 p.m. and Sunday, 9:00 a.m. to 5:00 p.m.
