## **File Business Property Statements Electronically in Yolo County**

(Woodland, CA) – The Yolo County Assessor’s Office now offers e-filing of Business and Agricultural Property Statements using the new e-SDR (Standard Data Record) system. The secure online filing system is available for business and farm owners with one or more locations in Yolo County. No new software or filing fees are required to use e-SDR.

“This system was put in place to make filing of property statements more convenient for our residents.” said Yolo County Assessor Joel Butler. “Additionally, electronic filing results in a savings to Yolo County of \$X annually.”

To file Yolo county Business and Agricultural Property Statements **via e-SDR**, visit the e-SDR Web site ([www.calbpsfile.org](http://www.calbpsfile.org)) or the Yolo County Assessor’s Web site ([www.yolocounty.org/org/Assessor/SDRInfo.htm](http://www.yolocounty.org/org/Assessor/SDRInfo.htm)).
