2006-2007 Annual Report Online

(Woodland, CA) – Each fiscal year, the Yolo County Administrator prepares an annual summary report that reflects an overview of the operations and financial condition of the county government. The Yolo County 2006-2007 Annual Report, recently received by the Board of Supervisors, is now available to the public online.

Annually, the Yolo County Administrator prepares a summary report that reflects an overview of the operations and financial condition of the county government. The 2006-2007 Annual Report is a compilation of departmental highlights and operating indicators for the fiscal year ending June 30, 2007, as well as the Citizen’s Financial Report compiled by the Office of the Auditor-Controller/Treasurer-Tax Collector.

“Our annual report is a mere snapshot of the many accomplishments of our Yolo County workforce,” said Sharon Jensen, Yolo County Administrator. “Still, this document provides a wealth of information on the operations of our county government, and all we have accomplished on behalf of the residents of Yolo County.”
