
Financial Oversight Committee

Purpose: The purpose of the Financial Oversight Committee (FOC) is to provide oversight on treasury operations, leadership and independence over the monitoring, review and audit of the County's business activities; and provide oversight that helps to further ensure accountability and transparency over the budgetary and tax distribution processes to further demonstrate good stewardship of public resources. The Committee shall advise the Board on the selection of an independent, qualified, and licensed outside auditor to conduct an annual audit of the internal controls of the County. The auditor shall report to the Committee the results of the audit upon completion of the audit report. The Committee shall review the audit report and make recommendations to the Board related to the audit's findings. The Committee shall advise the Board on the recruitment, hiring, and termination of the Chief Financial Officer.

Authority: To the extent consistent with existing law, the Committee supersedes and encompasses the authority of the County's Treasury Oversight Committee and Audit Committee. The FOC has the authority to perform all statutory duties of a treasury oversight committee and to initiate or authorize review of any matters within its scope of responsibility. The FOC performs all of its duties in an advisory role to the Board of Supervisors and its chairperson has a direct communication with the Board of Supervisors. The FOC shall have no direct authority over the Chief Financial Officer (CFO) or any County officer or staff regarding County financial operations. However, the FOC will have operational and functional oversight authority over the Internal Audit Office as necessary. The Internal Audit Office will report to the CFO administratively. The Committee shall, subject to Board approval, adopt and revise a charter for the Committee setting forth membership criteria and powers consistent with the County Code of Ordinances. Ordinance No. 1450 (11/4/14), Ordinance No. 1471 (9/13/16)
