## **Yolo Household Hazardous Waste Drop-off Days – April 11 & 12**

(Woodland, CA) – This month's Household Hazardous Waste (HHW) drop-off days at the Yolo County Central Landfill are scheduled for April 11 and 12, 9:00 a.m. to 2:00 p.m.

HHW will be accepted from Yolo County residents only. Agricultural and infectious medical waste can not be accepted. Senior or disabled residents, who cannot drive, may schedule a free pick-up by calling (800) 433-5060 no later than April 9.

Small businesses that generate up to 220 pounds or 27 gallons of hazardous waste during the course of business are considered Conditionally Exempt Small Quantity Generators (CESQG). A business that is a CESQG may bring hazardous waste to the HHW collection event by appointment, and for a fee. CESQGs will need an EPA Identification (EPA ID) number that can be obtained from the Department of Toxic Substances Control by calling (800) 618-6942. If a CESQG already has an EPA ID, they may call (800) 433-5060 to schedule an appointment.

Materials that will be accepted include the following: batteries; fluorescent bulbs or tubes; used motor oil and filters; cleaning supplies; lighter fluid; antifreeze; aerosols (no empties); garden pesticides and herbicides; latex or oil based paints; solvents; poisons; electrical switches/relays; pilot light sensors; and mercury thermostats. Small electronic items, including TVs and monitors are also accepted for recycling at no cost. Please be advised that there is a handling fee for recycling appliances.

During regular business hours, beyond HHW events, the Yolo County Central Landfill accepts the following items for recycling or reuse: household batteries; printer cartridges; wall-mounted thermostats; electronic devices (e-waste) with a circuit board (i.e., VCRs, cell phones, telephones, printers, radios, computers, monitors, TVs); latex paint; used motor oil and filters; diesel fuel; diesel oil; non-chlorinated power steering fluid; differential clutch fluid; transmission fluid; hydraulic fluid; kerosene; auto batteries; paper; cardboard; bottles; and cans.

At the landfill's Reuse Center reusable items such as automotive lubricants, paints, pool chemicals, gardening products and cleaners are available for free during HHW events.

HHW events are sponsored by the Yolo County Department of Planning & Public Works, Division of Integrated Waste Management. Upcoming HHW drop-off day are scheduled for May 9 and 10. For more information on HHW events, call (530) 666-8729 or visit: [www.yolocounty.org/recycle](http://www.yolocounty.org/recycle).
