Proposition 47:
Year 1

What is Proposition 47?

- Prop 47 was a ballot initiative passed by California voters on November 4th, 2014
 - Passed with 59% of the vote
- The initiative reduces 9 classifications of "non-serious and non-violent property and drug crimes" from a felony to a misdemeanor
- Most significant, the law went into effect November 6th, 2014.
- County systems that had 6 months to plan for AB 109 but only had 24 hours to plan Prop 47

Prop 47 Offenses

- Mandates misdemeanors instead of felonies for “non-serious, non-violent crimes,” unless the defendant has prior convictions for murder, rape, certain sex offenses or certain gun crimes
- The measure requires misdemeanor sentencing instead of felony for the following crimes:
 - Shoplifting, where the value of property stolen does not exceed \$950
 - Grand theft, where the value of the stolen property does not exceed \$950
 - Receiving stolen property, where the value of the property does not exceed \$950
 - Forgery, where the value of forged check, bond or bill does not exceed \$950
 - Fraud, where the value of the fraudulent check, draft or order does not exceed \$950
 - Writing a bad check, where the value of the check does not exceed \$950
 - Personal use of most illegal drugs

Process and Conditions

- Prop 47 permits re-sentencing for anyone currently serving a prison sentence for any of the Offenses that the initiative reduces to misdemeanors.
- About 10,000 prison inmates will be eligible for resentencing, according to Californians for Safety and Justice.
- Prop 47 requires a “thorough review” of criminal history and risk assessment of any individuals before re-sentencing to ensure that they do not pose a risk to the public.
- The State did not proactively plan contingencies to support counties in providing treatment services to misdemeanors
 - Counties must priorities high risk felon substance abusers over misdemeanors due to the other elements of their offenses

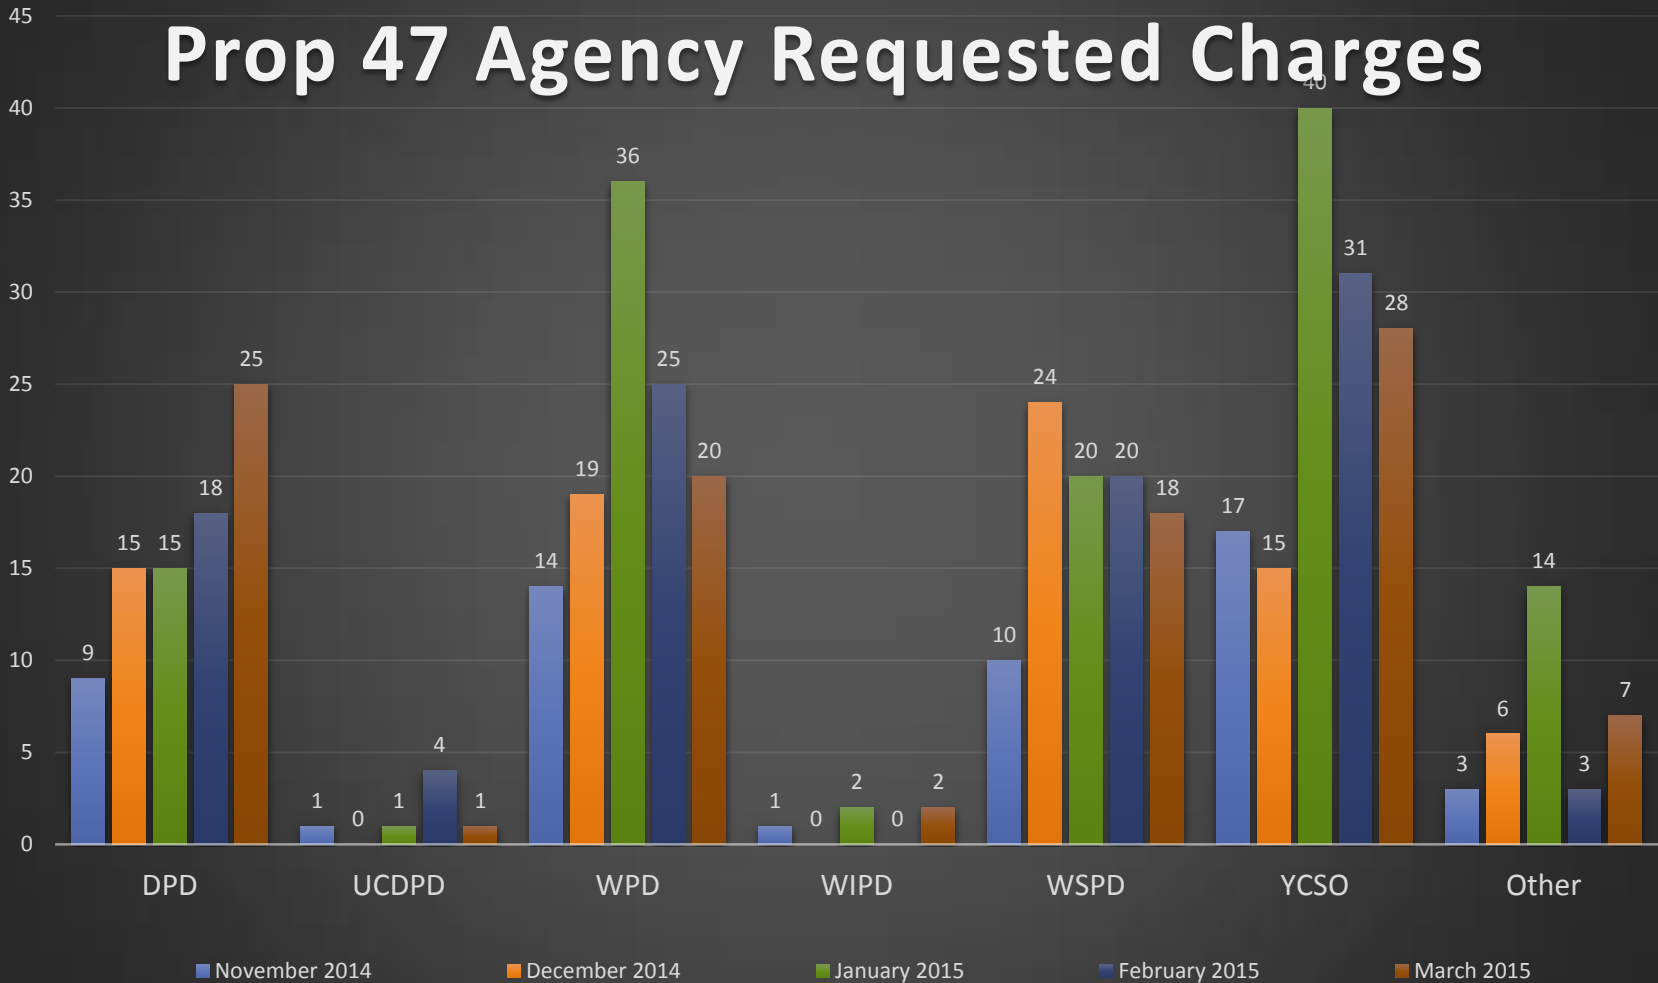

Future Funding to Mitigate System Transitions

- Creates the Safe Neighborhoods and Schools Fund.
- The fund will receive appropriations based on savings accrued by the state during the fiscal year, as compared to the previous fiscal year, due to the initiative's implementation.
- Estimates range from \$150 million to \$250 million per year.
- Distributes funds from the Safe Neighborhoods and Schools Fund as follows:
 - 25% to the Department of Education
 - 10% to the Victim Compensation and Government Claims Board
 - 65% to the Board of State and Community Correction.

Local Impacts of Prop 47

- 273 local felony cases have been reduced since November 5th
- 36 new misdemeanor drug cases have been sentenced
- Local County Jail had 90 open beds in January
 - As of March 30th, there were 414 in-custody offenders out of 455 available beds (91% occupancy)
- The Community Corrections Partnership agreed to open up AB 109 contracts with substance abuse providers to misdemeanor offenders,
 - The penalties for non-compliance are significantly reduced
 - Before Prop 47, felony offenses had suspended incarceration terms for multiple years, and now those offenses carry a year at most.

Prop 47 Agency Requested Charges

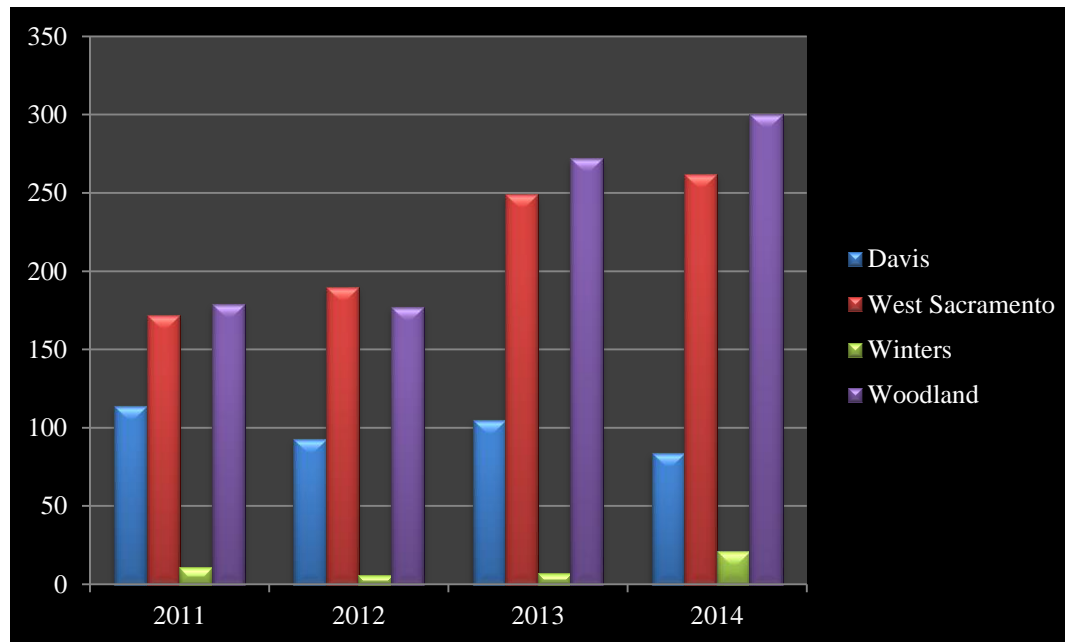

The Yolo County District Attorney's Office has received 464 Prop 47 charge referrals since November 5th from local law enforcement agencies.
