Job Fair June 19

(Woodland, CA) – The Yolo County Department of Employment & Social Services is teaming up with Congressman John Garamendi, the Workforce Development Collaborative and the Yolo County Workforce Investment Board to advance individual job readiness and connect job seekers with employers through a Job Fair on Friday, June 19, 11:00 a.m. to 2:00 p.m. at 25 North Cottonwood Street in Woodland.

There will be more than 50 local businesses and apprenticeship programs represented at the Job Fair. Computers will be available for employment seekers to complete applications and submit resumes to prospective employers on the spot. Employment specialists will also be available to help craft and review resumes, providing constructive feedback to increase an applicant's likelihood of success.

“This job fair is a great collaboration and regional event, designed to create numerous employment matches for job seekers and prime employers,” said Yolo County Board of Supervisors Chair Matt Rexroad.

For more information on the Job Fair, as well as local employment resources, visit the Yolo County Employment & Social Services website at: www.yolocounty.org/health-human-services/employment-social-services.
