Let Us Help You Find Your Next Good Book on June 20

(Woodland, CA) – Thinking about your summer reading list? Want to read something different this summer rather than the same bestselling authors? Come to the Mary L. Stephens Davis Branch Library on Saturday, June 20, 10:00 a.m. to 12:30 p.m. and learn how to find your next good read. Library staff will share insider tips on how we put together our personal summer reading list.

Learn how to find local authors, newest releases, international sleepers, independent bookstore recommendations and websites that review books from alternative publishing houses. Learn how to use online resources such as Novelist and Library Aware to find all the books in a series, or to find read-alikes of your favorite author. Find fiction that peaks your interest by uncovering different writing styles using terms such as "compelling, gritty or richly detailed". There's a whole new world of authors to discover – let us help you find them. While you are at the Library, sign up for the Summer Reading Program for your chance to win a Kindle Fire!

This event will be held in the Blanchard Room of the Mary L. Stephens Davis Branch Library, located at 315 East 14th Street in Davis, which is accessible to persons with disabilities. The program is free and no reservations are required. For more information contact joan.tuss@yolocounty.org
