County Road 27 Reconstruction Starting August 24

(Woodland, CA) – Due to road reconstruction, County Road (CR) 27 from CR 98 to CR 99, as well as the intersection of CR 27 and CR 99, will have traffic delays and/or will be closed to through traffic from August 24 to October 5.

Detour signs will direct motorists to alternate routes through CR 29, CR 98 and CR 99, as shown in the attached map. Access to properties along the closed section of the road will be provided at all times. This project will reconstruct the existing CR 27 road surface.

Construction costs are approximately \$660,000 and will be approximately 89% funded with federal transportation funds with the balance from the County Road Fund. The low bid contractor is Team Ghilotti, Inc. from Petaluma, California.
