Free Computer Classes at West Sacramento Library

(Woodland, CA) – The following computer classes will be held from 9:00 to 10:00 a.m. in the computer lab of Yolo County's Arthur F. Turner Community Library, located at 1212 Merkley Avenue in West Sacramento:

- **October 6: Google+.** Learn how Google is more than just a search engine and how a Google email address gives you access to calendars, maps, videos, pictures and more!
- **November 10: eBay Introductions.** Learn about eBay's online auction where people can buy, sell and bid on new or used items from around the world, from antiques to computer parts and cars. This class will discuss basics, such as setting up an account and searching for items. Experience using a computer is highly recommended.
- **December 1: Craigslist How-To.** Discover this online classifieds website and learn how to locate jobs and housing, items to buy or sell and how to navigate the site and respond to ads. Experience using a computer is recommended.

The following Cyber Senior Computer Classes will be held in the computer lab from 10:00 to 11:00 a.m.:

- **September 21: Introduction to the Computer.** This is the first session of the Cyber Senior Computer Classes and will teach participants how to turn a computer on, what the mouse and keyboard do and other beginning functions. No experience is necessary.
- **October 12: Microsoft Office.** The second session will go over Microsoft Word and is for individuals interested in typing letters, creating flyers or making other types of Word documents. Light experience is necessary.
- **November 9: Email.** For the third session, seniors will learn how to create an email address, check email and write an email message. Light experience is necessary.
- **December 28: Google.** The fourth and final session will teach participants how to search on the Internet with Google and find helpful webpages. Light experience is necessary.

Las siguientes Clases de Computación del idioma español son 18:00-19:00:

- **September 18: Clases Básicas de Computación.** Aprende a usar una computadora, ratón y teclado. No necesita tener experiencia, solo una tarjeta de la biblioteca y un PIN son necesarios.
- **October 16: Internet y Email.** Aprende como navegar el internet y email. No necesita tener experiencia, solo una tarjeta de la biblioteca y un PIN son necesarios.
- **November 13: Microsoft Word.** Aprende como escribir una carta y tu resume. No necesita tener experiencia, solo una tarjeta de la biblioteca y un PIN son necesarios.
