Delays on County Roads 31 and 95 September 8-October 5

(Woodland, CA) – Due to road construction, there will be lane closures on County Road (CR) 31 at the intersection of CR 95. Motorists will encounter 30 minute traffic delays on both CR 31 & CR 95 from September 8 to October 5.

This project will add left-turn lanes and asphalt overlay on CR 31 at the intersection of CR 95.

Access to properties along the closed section of the road will be provided at all times.

Construction costs are approximately \$360,000 and will be approximately 90% funded with federal transportation funds, with the balance from the County Road Fund. The low bid contractor is Lamon Construction Co., Inc. from Yuba City, California.
