WHEREAS, on June 9, 2015 the Yolo County Board of Supervisors held a public hearing and considered a recommendation from the Planning Commission's May 14, 2015 decision on the Central Landfill Borrow Site Project, which includes General Plan Amendment 2015-002 (Zone File #2014-001);

WHEREAS, the proposed project requires the adoption of an amendment to the Land Use Map of the 2030 Yolo Countywide General Plan to change the land use designation of two parcels on the project site (APN 042-100-07 and -018) from "Agriculture" (AG) to "Public and quasi-public" (PQ) to bring the General Plan designation into consistency with the zoning of "Public and quasi-public" (PQP) (see parcel descriptions in Exhibit A); and

WHEREAS, the amendment is required to comply with State law and is consistent with all other policies, goals, and objectives of the Yolo County General Plan; and

WHEREAS, the project was subject to the preparation and circulation of an Environmental Impact Report under the California Environmental Quality Act, see separate accompanying Resolution certifying the environmental impact report and making findings of fact.
