Regular Agenda

1. Non Disposal Facility Element – Linda Sinderson asked the committee for comments or questions regarding the Non Disposal Facility Element (NDFE). Denise Kotko inquired whether composting activity at the landfill would affect the water table. Linda explained that the anaerobic digester, which has already been approved, is currently being operated on an existing lined cell and causes no ground water issues. The proposed changes will expand our NDFE to include the operation of any type of composting at the landfill, which then would include the digester. Jason Magness asked whether there would be any significant operational changes at the landfill, and Linda confirmed that there would not.

MOTION: Denise Kotko motioned that Jason Magness, the current chair, sign the letter regarding the NDFE on behalf of the WAC, seconded by Sue Gedestad.

DISCUSSION: None.

MOTION: Passed unanimously.

2. Committee Chair and Vice Chair Elections – Jason Magness respectfully resigned his position as Committee Chair due to the constraints of his current work load at the UC Davis Landfill as well as a potential conflict of interest. Denise Kotko suggested that John Geisler step up from Vice Chair to the Chair position and that a new Vice Chair be elected.

MOTION: Carol Scianna nominated Denise Kotko to serve as Vice Chair, seconded by Jason Magness.

DISCUSSION: None.

MOTION: Passed unanimously.
