  - Steve had been working with Alissa Sykes on trying to coordinate on the Protective Factors and Resiliency Factors. This will have to wait for the new Child, Youth and Family Branch Director to come on board.
  - Steve met with Supervisor Provenza to brainstorm how the MCAH Advisory Board can help support the Board of Supervisors, especially as related to Child Welfare Services. Supervisor Provenza was very interested in having MCAH Advisory Board members participate in a subcommittee that will be set up. This subcommittee could help steer the discussion towards many factors, such as CWS’s role in training, monitoring children being recommended for reunification, mandated counseling, evidence based practices, and setting families up for successful reunification. If you are a voting member for MCAH Advisory Board and are interested in being in a workgroup to address these issues, please email Steve.
