County Road 102 Closure for Repairs August 23-25 (Closure Between Woodland and Knights Landing from CR 17 to CR 18C)

(Woodland, CA) – The Bridge over Cache Creek on County Road 102 will be closed to all traffic for emergency repairs on Tuesday, August 23 through Thursday, August 25. The County Road 102 closure is between Woodland and Knights Landing, from County Road 17 to County Road 18C.

Detour signs will be posted directing traffic around the closure. Motorists are advised to use State Route 113 between Woodland and Knights Landing to avoid this section of County Road 102 during the three day closure. Local traffic will be allowed access. Motorists needing access to the closed road section are encouraged to verify which side of Cache Creek they need to access, as construction activities will prohibit travel across the bridge.
