## Woodland WIC Program has Moved

**(Woodland, CA)** – The Woodland Women, Infants, and Children (WIC) program changed location from their 137 N. Cottonwood Street address to 25 N. Cottonwood Street on September 19<sup>th</sup>. Regular business hours are 8 a.m. to 5 p.m. Monday thru Friday with extended hours from 10 a.m. to 7 p.m. the 1<sup>st</sup> and 3<sup>rd</sup> Tuesday of each month.

This change in location is part of the effort by Yolo County's Health and Human Services Agency to deliver services in a more collaborative and integrated fashion to improve client outcomes. The plan is to create Service Centers where clients can receive multiple services in one place. WIC is now co-located with programs such as Cal-Fresh, Medi-Cal and Employment Services.

WIC is a Special Supplemental Nutrition Program that serves women, infants and children up to the age of 5. It is a federally funded program through the United States Department of Agriculture (USDA), Food and Nutrition Services, and the California Department of Public Health. Yolo County WIC is funded to serve 5,290 clients per month and provides nutrition education, vouchers to purchase healthy foods, breastfeeding support and connections to other support services.
