National Voter Registration Day

(Woodland, CA) – September 27th has been declared National Voter Registration Day by California Secretary of State, Alex Padilla. National Voter Registration Day is a formally recognized voter outreach initiative which aims at registering eligible citizens so they can be empowered to cast a ballot on Election Day.

While the day is focused on encouraging California's grassroots organizations, Yolo County's A.C.E.-Elections Branch has wholeheartedly joined the effort. A.C.E. Chief Jesse Salinas spoke to a large group at the September 24th Yolo Youth Rally, coordinated a full-scale Mock Election and made its own effort to register Yolo youth. Additionally, Salinas will host an "Elections Bash" on November 8th, the evening of the election itself, which aims to provide interested youth with a unique "behind the scenes" look at how ballots are counted.

Salinas noted that he was, "delighted to partner with a variety of people and groups who are passionately committed to advancing the democratic process in Yolo County," and that he is, "very excited at the incredible momentum that is building across the region."
