Subject: Water Sustainability Presentation with Robert Shibatani of The Shibatani  
Group, Inc.

## Recommended Action

Receive a presentation by Robert Shibatani, Managing Partner and Consulting Hydrologist with The Shibatani Group, Inc., on Water Issues and Sustainability.

## Reason for Recommended Action

Staff asked that Mr. Shibatani do a presentation to better inform the Commission on the key issues of water sustainability pertaining to Yolo County's long term strategic water plans.

## Background

Mr. Shibatani did a PowerPoint presentation on Water Determinations entitled, 2007 California Water Developments, "Our Challenged Water Resources – A Serious Look at Sustainability", at the annual CALAFCO Conference in Sacramento August 29, 2007. The information seemed appropriate for the Commission to receive.
