

**TO:** Olin Woods, Chair, and Members of the  
Local Agency Formation Commission

**FROM:** Elizabeth Castro Kemper, Executive Officer  
Elisa Carvalho, Senior Management Analyst

**DATE:** April 28, 2008

**SUBJECT:** Request continuance of the Public Hearing for the Yolo County Resource  
Conservation District Municipal Service Review and Sphere of Influence  
(MSR/SOI) Study (LAFCO № S-030)

## **RECOMMENDED ACTION**

That the Commission continue the Public Hearing for the Yolo County Resource Conservation District (RCD) Municipal Service Review and Sphere of Influence (MSR/SOI) Study to the next LAFCO meeting on May 12, 2008 to allow time for cities to review additional recommendations.

## **REASON FOR RECOMMENDED ACTION**

It is appropriate to provide the cities in Yolo County additional time to review the draft document, as directed by LAFCO at the March LAFCO meeting.

## **BACKGROUND**

The Commission received the draft Yolo County RCD MSR/SOI Study on March 31, 2008. In the Study, LAFCO staff recommended that the “10- and 20-year lines for Yolo County Resource Conservation District Sphere of Influence include all of the property outside of the District boundaries and in Yolo County...” The recommended sphere includes all of the cities in the County. The draft has been submitted to city staff for review, but additional time seems appropriate for adequate consideration.
