**Yolo Encourages Success through Talent Engagement, Assistance & Motivation!** The YES Team was born out of the ongoing County-wide talent development initiative and seeks to support best practices in developing programs to foster employee engagement, training, and more!

**Yolo Encourages YOUR Success** and is promoting an environment where employees have opportunities and resources for career development and mobility within the organization. The YES Team website is one such tool for accomplishing these goals. We hope that you will draw from the network of pages introduced below to help you progress and thrive, benefitting you and ultimately the residents of Yolo County.
